

OPERATING SYSTEM

All Sunspa models are equipped with a control system from the renowned Balboa brand. Balboa is the market leader in spa control systems and continuously strives to optimise user-friendliness. Balboa always offers you the option to choose from various preset programs. This offers you optimum efficiency at very low energy consumption. In addition, the water filtration can also be set as you wish. Everything is fully automatic.

CABINET COLORS

The cabinet of all Sunspa models is made of composite. Composite is resistant to all weather influences and is virtually maintenance-free. The available colors are: Graphite, Matt Gray and Chocolate.

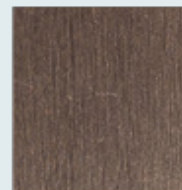

You can see the different colors below:

Matt gray

Graphite

Chocolate

SHELL COLORS

The tub of all Sunspa models is made of acrylic, by the brand Aristech Acrylics.

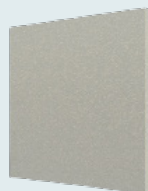

The available colors can be seen below:
